About us

Wellcome!

If you're looking for a place for restful and relaxing vacation for yourself and your family, we invite you to spent it in Villa Lilin San.

Donji Humac is a small place located in the middle of the Islan of Brac. It is 4 km away from Supetar and from the other places along the coast and the beach. The village has two excellent restaurants known on the island where you can eat local specialties. It also has two art sculpture galleries that can be visited daily. The food market is 100 m away from the Villa, while in Supetar are large shopping centers within a 5 km of the Villa.

Villa Lilin San is situated on the islan of Brac at Donji Humac offering a unique panoramic view. Property of 1700 m² has two houses with a large swimming pool, green gardens and a large olive grove that offers all the comforts of the modern age embedded in a traditional Dalmatian landscape and architecture.

The guests have at their disposal a private parking area with 4 parking places, indoor fireplace with grill in a separate room with bathroom and all comforts, swimming pool, quality outdoor garden furniture, outdoor shower, decorated and illuminated walking path, video surveillance and a separate mutual dining area decorated in traditional Dalmatian style and much more. Given that the property has a large number of interesting and carefully selected details we suggest that you take a look at our picture gallery which will help you experience all the beauty of the Villa and the property.

To protect the privacy and tranquility of your vacation Villa Lilin San is available as a single unit regardless of the number of guests. At Villa Lilin San we welcome all pets because space is ideal for your relaxation as well as your pets.

We look forward to seeing you!
